

D&RGW Engineering Maps from the RGM&HS

Drawn mostly from the collections of RGM&HS members, we now have available 62 maps representing 34 individual locations. Most are large scale, 1 inch=100 feet originals issued by the D&RGW's Office of the Chief Engineer. They cover the location's station grounds encompassing, approximately, the yard limits. Details include tracks, structures, storage and service facilities, steam, water and oil pipes, etc., present at the time the original map was prepared.

The maps will be printed at full or one-half size on architectural grade paper with a wide-bed laser printer. Physical sizes range from 2ft. x 1 ft. to 16 ft. x 3 ft. Half-size reproductions are available. Keep in mind the details on the map will be proportionally smaller and may be more difficult to read. A more detailed list is available on the web-site at: www.rgmhs.org/store

Questions regarding the maps should be directed to: maps@rgmhs.org

Map Prices for Members (prices are for each map)

Qty	1-5	6-10	11-20	20+	Shipping
Small	\$10	\$9	\$8.50	\$8	\$5
Medium	\$15	#13.50	\$12.75	\$12	\$7.50
Large	\$20	\$18	\$17	\$16	\$9.50

Map Prices for non-Members (prices are for each map)

Qty	1-5	6-10	11-20	20+	Shipping
Small	\$15	\$13.50	\$12.75	\$12	\$5
Medium	\$20	#18	\$17	\$16	\$7.50
Large	\$25	\$22.50	\$21.25	\$20	\$9.50

- Any combination of Small, Medium and Large maps in an order qualifies for the discounted pricing.
- Shipping price quoted is for domestic US shipping only. Foreign shipping will be prepared for individual orders, contact RGM&HS Map Sales (maps@drwg.org) before ordering.
- Shipping rate quoted is for 1 to 20 maps in an order. Order more than 20 maps and Shipping is free for US orders.
- If mixed sizes are ordered, the shipping rate for the largest size ordered applies.
